List of Best medical colleges in Nagaland

List of Best medical colleges in Nagaland: Are you wishing to ***study Medical in Nagaland***? Though institutions offer higher study courses. So far as Medical is concerned, Bachelor of Medicine and Bachelor of Surgery (M.B.B.S) is not offered by any institution. The National Institute of Technology in Dimapur offers Bachelor of Siddha Medicine and Surgery (B.S.M.S) and The Global Open University offers Post Graduate Diploma in Medicine. The aspirants of M.B.B.S would have to go to other state for the course. The two courses and offering institutions are mentioned in this article. The aspirants would have a great help from this article for the courses offered.

Nagaland is also one of the disturbed states of North-East India. The state's eastern border lies beside Burma (now Myanmar), the western border touches Assam, the northern to Arunachal Pradesh and the southern border touches Manipur. The state capital is Kohima whereas the largest city is Dimapur. The Naga inhabitants lead conservative life to large extent. Instead of being logical, most of them are stuck with taboo. They follow the taboo as the order of the God. The 17 tribes are dwelling in the state. They are Ao, Angami, Chang, Konyak, Lotha, Sumi, Chakhesang, Khiamniungan, Dimasa, Kachari, Phom, Rengma, Sangtam, Yimchunger, Kuki, Zeme-Liangmai (Zeliang), Pochury and Rongmei. However, each tribe is unique in character with its distinct customs, language and wearing. Language and religion are common to all and English is in predominant use. Significantly, it is one of the three Indian states where the population is mostly Christians.
